<b>Job Description</b>	

### Position Summary

The **Deputy Chief of Investigations** is responsible for all facets of the investigative function. The primary responsibility is reviewing all police reports and coordinating the appropriate level of investigative follow-up based on NYS Law, university and agency policy.

An important role of this position is to maintain high standards and best practices for the investigative function, to include:

- Consistent follow-up with victims and complainants
- Reviewing all reports for completeness and accuracy
- Returning reports that require modifications to the appropriate supervisor

- Properly recording incidents in accordance with NCIC standards and Clery Act requirements

In this role the Deputy Chief of Investigations will be responsible for reviewing and maintaining all Clery Act statistics for the campus. This includes revising the mandated Annual Security Report and ensuring that all reportable incidents are properly recorded.

This position is responsible for the maintenance of high morale, and an effective, well disciplined, and professional law enforcement function within the constraints of a complex civil service structure and requirements of a negotiated union contract. Obtaining and maintaining proper university support through the cooperative efforts of personnel, students, administration, and faculty. This occasionally requires working various shifts to supervise the Investigative Division and respond to assist with major incidents as needed.

The Deputy Chief of Investigations:

- Assists in the development and/or participation in the formulation of university strategies, safety plans, and administration actions, and procedures consistent with the mission of the university in relationship to the health, safety, and welfare of persons and property.
- Is responsible to work with command staff, University Student Life, and University Employee Relations with proactive interventions and non-criminal investigations, such as: threat assessments, background investigations, internal affairs, and other sensitive matters involving faculty, staff and students, and may be personally responsible to conduct such activities or investigations.

The Deputy Chief of Investigations reports directly to the Chief of Police, and may assume the responsibilities of the Chief in their absence when designated.
