**Job Description**

The University at Buffalo, Jacobs School of Medicine and Biomedical Sciences, [Department of Pediatrics](#) is seeking a **Research Administrator** to provide administrative support to several researchers among different divisions within the department. The selected candidate will play a crucial role in facilitating the successful preparation of research proposals, managing grants and budgets, and ensuring compliance with relevant policies and regulations.

Primary responsibilities include:

- Assist in the preparation, submission, and administration of research grant applications, ensuring compliance with funding agency guidelines.
- Develop and monitor project budgets, including tracking expenditures, forecasting, and reporting.
- Collaborate with researchers to ensure proper allocation of funds and adherence to budgetary

constraints.

- Manage financial transactions, process reimbursements, and maintain accurate records of financial activities.
- Serve as a liaison between researchers, funding agencies, sponsored projects and the department to facilitate effective communication.
- Assist with the coordination and organization of research projects, including participant recruitment, scheduling, and data collection.
- Foster collaboration and teamwork by maintaining positive relationships with colleagues and stakeholders.
- Manage documentation, including research agreements, contracts, and confidentiality agreements.
- Procure office and research supplies through ShopBlue requisitions.

This position offers an exciting opportunity to contribute to cutting-edge research in pediatric healthcare and make a meaningful impact on the lives of children and families.
