Tufts University School of Dental Medicine (TUSDM) offers one of the most forward-looking educational environments in dental medicine in the country. Since its founding in 1868, TUSDM has been committed to leadership in education, patient care, research, and community service. Students obtain an interdisciplinary education, integrated with medicine, with access to training in dental specialties. Clinics managed at TUSDM provide quality comprehensive care to more than 20,000 individuals annually. Nationally and internationally, the school promotes health and educational programs and researches new procedures, materials, and technologies to improve oral health.
