Job Description

Exciting opportunity for a Research Grant Coordinator in the [UB School of Pharmacy and Pharmaceutical Sciences](#) (SPPS). This position will be a key part of the infrastructure for external grants and other sponsored research activities in the SPPS. The Research Grant Coordinator will work as a member of the Research Administration Team in SPPS and will serve as liaison between the SPPS faculty, Sponsored Projects Services (SPS), internal and external stakeholders. The Research Coordinator will be an active member of research teams and will provide administrative support to pre and post award activities of the school's faculty. This position is entry level and affords exposure to a broad range of research administration activities providing excellent opportunity for career growth.

Highlights of position responsibilities include, but are not limited to:

Research Grant Coordinator, School of Pharmacy and
Pharmaceutical Sciences
University at Buffalo, The State University of New York

Provide pre award support to SPPS faculty and staff with grant and/or subcontract proposals, which may include:

- Provide direct project management for faculty research grant submissions, acting as a liaison between faculty, SPPS Research Administration Team, Sponsored Projects Services, and other universities and organizations
- Assist with the development of budgets and budget justifications which include reviewing the budget for inconsistencies, ensuring accuracy with budgets, obtaining SPS review and approval.
- Assist in the development of non-technical documents including review, editing, and completion of various federal and non-federal packages.
- Assist principal investigators with CLICK and Grants.gov application submissions.

Provide post award support to SPPS faculty and staff with grants and/or subcontracts, including detailed reconciliation of assigned project budget:

- Perform principal investigators (PI) account reconciliations and assist in the management of budget, forecasting, personnel allocation, and carryover determination in coordination with SPS and sponsor guidelines.
- Monitor end dates for grants and track PI effort.
- Coordinate with principal investigators to ensure compliance with grant guidelines and effect changes as required.
- Monitor budget, reporting and compliance timelines through the lifecycle of the grant or contract.
