Job Description

The **University Police Investigator** will investigate both criminal and campus policy violations using the full range of investigative techniques including surveillance and interviews in order to assist in the apprehension and prosecution of suspects and violators.

Investigators interview victims, complainants, witnesses and suspects in order to obtain information used in determining criminal guilt, recovering stolen property and preparing depositions and confessions while exercising discretion in determining the content, scope and extent of questioning and observing the civil and constitutional rights of those questioned; confer with other law enforcement officials and district attorneys to convey and obtain information relevant to the conduct of investigations; meet with faculty and student organizations to discuss security problems and develop cooperative relationships between the University Police and campus community; and may conduct confidential background investigations of prospective employees in the Classified and Unclassified
