The Office of Graduate Student Services for TUSMGP oversees the administrative operations of the Medical School's graduate programs, inclusive of admissions, registration, career services, and student services functions. Clinical Site Procurement is a division of TUSMGP Graduate Student Services and responsible for identifying, developing, and maintaining strong clinical partnerships with leading healthcare organizations throughout the nation.

This role is offered as a remote position. Specific hours and schedule will be determined between you and the hiring manager.

### What You'll Do

The Clinical Site Procurement Coordinator serves as the lead in establishing premiere partnerships and acquiring clinical education sites for Tufts University School of Medicine Graduate Programs (TUSMGP), including Tufts DPT programs in Boston, MA, Phoenix, AZ, Seattle, WA, and Atlanta, GA. This person will also be a key interface with the clinical education teams of these professional programs, which consists of Directors of Clinical Education (DCEs) [faculty], Clinical Education Program Administrators [staff], and Clinical Education Program Coordinators [staff]. This role often entails being the initial point of contact with potential clinical partners and requires an affable demeanor, coupled with a strong knowledge of the programs served.

The Clinical Site Procurement Coordinator must have superior communication and organizational skills, vision, and excel at developing new relationships. This person must also have some working knowledge of clinical education contracts and is expected to help develop a quality assessment process for clinical sites. The Clinical Site Procurement Coordinator assists with monitoring and tracking expenditures, troubleshooting issues, and preparing reports related to clinical education. This person will also gather data, conduct research to draft reports, and create materials or summaries for presentations as needed to ensure comprehensive oversight of clinical education sites and clinical instructors.

### What We're Looking For

#### Basic Requirements:

- Bachelor's degree and 3+ years of experience
- Excellent organizational, interpersonal, communication, critical thinking, and decision-making skills
- Ability to market Tufts programs/students and establish relationships with external healthcare affiliates to enhance student opportunities
- Strong technical skills; database management experience and familiarity with clinical education tools and platforms (Exxat
