**Job Description**

The Facilities department at the University at Buffalo invites applications for our **Facility Operations Assistant 1** position in the HVAC department.

Your responsibilities will include:

- Assist in routine maintenance of equipment
- Perform specific tasks as directed in performing maintenance and repairs on mechanical and electrical equipment, steam, gas and water lines, and other related heating, ventilation and air conditioning equipment
- In accordance with instructions, carry out proactive maintenance on HVAC equipment, including tasks such as lubricating machinery, replacing belts, replacing filters, and cleaning equipment. Additionally, perform other preventive maintenance duties within the boiler, chiller, pump, AHU and other mechanical equipment rooms.
