Job Description

The [University at Buffalo School of Dental Medicine](#) is seeking applicants for a full-time **Patient Manager** who is detail oriented, effective with multi-tasking and time management, and willing to learn new skills.

The Patient Manager will have the following major responsibilities:

- Manage / Schedule patients for 36-38 students (each patient family has 9-25 patients). Schedule next appt (as determined by faculty & assigned student).
- Maintain and understand faculty clinic coverage.
- Coordinate schedule changes with students, DA's, rotation directors & group directors.
- Review patient families & schedule patients as appropriate (so patients aren't waiting 30 days between appts).

- Verify payments before appts are scheduled, especially for crowns, dentures, implants, root canals. Obtain financial approval of private pay treatment options.
- Recommend discharge / NATC patients when patient is non-compliant with UB protocols.
- Assign screening patients to students for screening rotation. CPE Scheduling.
- Attend scheduled meetings 4-5 times each semester.

Salary is commensurate with experience.

Work hours are typically Monday - Friday 8:30 a.m. - 5:00 p.m.

May work evening clinic hours occasionally.

Outstanding Benefits Package

Working at UBF comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options.
