Job Description

The [Center of Excellence for Alzheimer's Disease \(CEAD\)](#) is a Department of Health funded program to support the Alzheimer's Disease and Memory Disorders Center (ADMDC) at the University at Buffalo to provide state of the art medical services consistent with evolving practice standards which enhances and standardizes AD/D care in the region.

The goal is to:

- Facilitate early diagnosis
- Provide assistance with care planning
- Educate the health care workforce and integrate special populations

The CEAD is seeking a professional to fill the position of Center of Excellence for Alzheimer's Disease Program Specialist, who will assist the PI and program director in delivering CEAD program activities.

Primary responsibilities of the Program Specialist include, but are not limited to:

- First contact for scheduling and coordinating activities
- Assist with reporting
- Develop working relationships with UBIT and EMR to develop activity tracking procedures
- Website and social media maintenance.
- Assist with scheduling outreach activities and other scheduling requirements of the program director and primary investigator
- Attend monthly meeting and prepare minutes.
