The [Institute for Lasers Photonics and Biophotonics \(ILPB\)](#) and its constituent units guide and support the University's research enterprise as well as its economic development and entrepreneurial activities. The **Administrative Assistant I** provides administrative support to senior leadership in ILPB, with primary support provided to the Executive Director. The incumbent is responsible for maintaining the calendars of the Executive Director, making travel arrangements and reimbursements, providing support for meetings, and general administrative duties, as assigned. In addition, the position is responsible for editing documents and presentations, and managing special projects. This position will work closely with the ILPB's executive officer, coordinating operations and providing back-up support as needed.

Primary Duties and Responsibilities include, but are not limited to:

- Maintaining calendars for the Executive Director.
- Handling travel and meeting arrangements.
- Editing documents, including Annual Progress reports for SUNY and UB, and PowerPoint presentations, and assisting in ILPB communication efforts.
- Assisting with managing projects and events.
- Purchasing and processing financial transactions.
- Interacting with students and act as a liaison with the Executive Director.

The Administrative Assistant I must be eager to learn, detail-oriented and comfortable handling multiple assignments for various staff members in a fast-paced environment. They must be flexible, have strong communication and interpersonal skills, and be comfortable working as part of a team. The ability to switch between projects and adapt to changing priorities is critical, since the incumbent will be working with multiple staff members on potentially competing projects and deadlines.

The Administrative Assistant I will interact with faculty, business professionals and community leaders as well as their administrative professionals on a daily basis, requiring discretion and tact. Knowledge of business protocol is essential, while experience with university practices and policies also is beneficial.
