Worcester Polytechnic Institute - WPI

JOB DESCRIPTION SUMMARY

Mass Academy seeks a summer program enrichment learning counselor to support our Junior Academy summer academic enrichment program for middle school students.

This is a temporary position.

Dates of employment: June 25 and 26 for training, June 26 and 27 in the evening for family orientation, and July 8 through July 19 for the Junior Academy program.

Work hours: 10:30 AM - 5:30 PM

About the Junior Academy at Mass Academy

The Junior Academy at Mass Academy is a two-week summer program for rising 7th and 8th grade students from diverse backgrounds. This day program is designed to provide academic enrichment and support through meaningful learning opportunities so that students will be more confident, curious, and engaged in their learning and realize that science, technology, engineering, and mathematics are not only accessible to them, but they are also rewarding and can open doors for their future.

Participating students will receive literacy and math support, engage in hands-on STEM projects, and visit the WPI campus to tour labs and meet researchers.

About Mass Academy

The Massachusetts Academy of Math and Science (Mass Academy) is a tuition-free, co-educational, public school of excellence that enrolls approximately 100 academically accelerated 11th and 12th grade students from Massachusetts. Math and science are emphasized within a comprehensive, interactive academic program. Rigorous junior year classes and senior classes taken at Worcester Polytechnic Institute (WPI) prepare students for college academics before they've graduated from high school.

JOB DESCRIPTION

WPI is passionate about creating an inclusive workplace that promotes and values diversity. We are looking for candidates who can support our commitment to equity, diversity, and inclusion.

RESPONSIBILITIES

Summer Program Assistant Teacher and Enrichment
Counselor Junior Academy at Mass Academy
Worcester Polytechnic Institute

- Work hours are 10:30 am - 5:30 pm daily
- Assist STEM teacher(s) with classroom instruction
- Assist with the planning for team building activities
- Foster a positive, educational, and fun community; emphasize mutual respect and inclusiveness
- Assist with planning for and facilitation of after-school programming that blends STEM-related activities with community building and social-emotional engagement
- Create and maintain a positive learning environment for all students; enforce program rules in a fair and consistent manner
- Actively participates in Junior Academy team meetings
- Work collaboratively with other Junior Academy staff, including teachers and counselors
- Effectively communicate with parents, students, and staff
- Participate in other aspects of the Junior Academy program as needed
- Other duties as assigned

REQUIREMENTS

- Qualified candidates will have a growth mindset and believe all students are capable of learning at a high level when given the proper support
- Bachelor's degree required, preferably in counseling, psychology, or a related field
- Experience with social-emotional learning and/or adolescent behavior preferred
- Positive attitude, responsible work ethic, and ability to collaborate effectively with a team required
- Experience working with children preferred
- Experience mentoring and/or teaching students from diverse backgrounds preferred
- Strong communication skills required
- Ability to work on your feet for long periods of time, being very active (4-5 hours). May work events that are outdoor and exposure to heat, rain, and inclement weather.
- An offer is conditional, pending a criminal background check.
- Participate in mandatory training for all staff.

Please include a cover letter with resume for consideration.

FLSA STATUS

United States of America (Non-Exempt)
