The Huntsville Center offers a variety of academic and technical correctional education programs to TDCJ offenders. This is an IT Lab Monitor position within a correctional environment with an all-male offender population. Offenders are required to meet academic and security requirements for enrollment consideration.

Lab Monitors will ensure the usage of computers in the LCHC Student Success Labs, ensure NetSupport is turned on prior to the students entering the labs so their searches can be tracked by the LCHC Librarian, and ensure eGranery servers are on and properly functioning. Monitors will ensure Lee Search is operational when students enter the labs, organize and submit student lay-ins (appointments) to attend weekly IT Lab offerings, and track weekly/semester attendance to the Student Success Centers.

Lab Monitors are hired in a part-time capacity on an as-needed basis and are contingent upon the needs of the College.
