areas of student registration and admissions and records input, retrieval, and maintenance; modifies and corrects student records; processes transcripts; performs a variety of data processing operations including to audit and review data entry; and responds to questions and requests for information from students, staff, and the general public received by phone, e-mail, or in-person.

### **DISTINGUISHING CHARACTERISTICS**

This is the journey level class within the Admissions and Records Specialist series. Employees within this class are distinguished from the Admissions and Records Specialist I by the performance of the full range of duties as assigned including modifying and correcting student records, processing transcripts, and performing a variety of data processing operations including auditing and reviewing data entry. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise, and are fully aware of the operating procedures and policies of the work unit.

This class is distinguished from the Admissions and Records Specialist III class in that the latter is assigned a full range of computer operation tasks including responsibility for the automated generation of accurate grade reports, collection sheets, the scanning system, and the web application system in addition to the full range of duties assigned to Admissions and Records Specialist II incumbents. This class is distinguished from the Senior Admissions and Records Specialist in that the latter evaluate transcripts and residency applications, or serve as regular lead during registration.
