Job Description

The Assistant Director of the Office of Research Compliance will support the Director on all aspects of research compliance, including conflict of interest policies and management, exports controls, and IRB and IACUC administration. The Assistant Director will have a lead role in managing the conflict of interest in research component of the Office of the Director of Research Compliance and implementing the UB Investigator Conflict of Interest policy and the Institutional Conflict of Interest in Human Subjects policy. This responsibility has several related functions including the solicitation of financial disclosure statements related to each policy at least annually. This position reports to the Director of Research Compliance.

Primary Duties and Responsibilities:

-Solicit financial disclosure statements at least annually from all individuals involved in the design, conduct and reporting of sponsored research projects and from UB administrators who have oversight

and potential influence on the conduct of human subject research.

- Respond to Institutional Review Board (IRB) requests for conflict of interest to compare the financial interests of investigators with the study sponsor.
- Coordinate the development and distribution of conflict of interest management plans by working together with the investigator, a conflict of interest representative from the investigator's school and the UB Conflict of Interest in Research Committee (CIRC).
- Perform conflict of interest determinations for sponsored projects for awards received by the University.
- Act as a liaison with the office of Technology Transfer for information concerning licensed inventions and UB's office of Institutional Advancement for information regarding major donors at least annually.
- Screen individuals and other institutions for export control issues.
- Aid in the development and implementation of appropriate export controls policies and procedures.
- Establish and maintain themselves as a professional expert and resource to the university.
- Assist the Director in issues related to the IRB and IACUC administration.
- Participate in appropriate professional organizations and continuing education programs.
