Job Description

Under general supervision, the Professional Expert provides assistance and support in accordance with assignments and directions from the supervisor. Professional Experts:

- * Have specialized knowledge or expertise not generally required of or found in the classifications established by the District.
- * Must be specially trained, experienced, or competent to perform expert services.
- * Are used on a temporary basis for a specific project or projects.
- * Terms of employment will be described in the Professional Expert Agreement

Non-academic, non-classified Professional Experts are not part of classified service. Non-academic, non-classified short-term employees are at-will employees and have no entitlement rights to any position in the District. Professional Expert employment shall not result in the displacement of Classified personnel.
