Application Review Date

The First Review Date for this job is: October 29, 2019

Departmental Overview

The mission of the UC Berkeley Art Museum and Pacific Film Archive (BAMPFA) is to inspire the imagination and ignite critical dialogue through art, film, and other forms of creative expression. BAMPFA has developed an international reputation for its active and ambitious exhibition programs, as well as for the quality of its art and film collections and research resources. BAMPFA is an institution with a stellar history and an exciting future. For more information, visit our website [url=https://apptrkr.com/get_redirect.php?id=1668347&targetURL=http://bampfa.org]bampfa.org.

Responsibilities

- * Assists fine art photographer in creating and processing new digital images of artworks, maintaining accurate color management and ensuring fidelity of images using Adobe Photoshop.
- * Assists with lighting and set-up.
- * Creates multiple versions of images, such as with and without color bars.
- * Crops images and performs quality control.
- * Troubleshoots and solves complex technical problems associated with imaging and color management.
- * Processes new and legacy images following BAMPFA's image management protocols.
- * Creates or verifies filenames and adds accurate descriptive and administrative metadata.
- * Works with curators and registrars to identify legacy images and improve their metadata.
- * Ingests content into Piction, the BAMPFA digital asset management system.
- * Utilizes various computer applications including CollectionSpace for BAMPFA's art collection database and Piction for asset management in day-to-day work associated with asset and workflow management.
- * Refines images for publication and presentation as needed by standardizing borders, silhouetting and using other techniques.
- * Collaborates with project staff to help determine best practices, benchmarks, and project workflows.
- * Performs other duties as assigned.
- * Participates in administrative policy and program planning and development.
