San Diego Community College District (SDCCD), second largest of California's community college districts is looking for four Programmer Analysts at the SDCCD Computing and Distribution Center located at 9315 Hillery Drive, San Diego, CA 92126. These positions will support the District's PeopleSoft enterprise applications. We offer excellent benefits and ample sick and vacation leave.

About SDCCD

As the second-largest of California's 72 community college districts, the San Diego Community College District serves approximately 100,000 students annually at its three, credit colleges, San Diego City College, Mesa College, Miramar College and seven campuses of San Diego Continuing Education.

Hours are 8:00 to 5:00 p.m., Monday thru Friday. Selected candidates must be willing to adjust work days/hours based on the department's needs.

Applicants must have authorization to permanently work in the US.

Please note that an employee may be transferred to any site at the option of the Chancellor.

Major Responsibilities:

Qualifications:

Knowledge:

- * Comprehensive knowledge of maintaining and enhancing computing architectures and environments.
- * Specific PeopleSoft software/programming languages/tools such as:

- * PeopleTools 8.5x
- * Application Designer
- * PeopleCode
- * Application Engine (AE)
- * Integration Broker/Tools
- * Process Scheduler
- * PS Query
- * SQR, Workflow
- * nVision
