Departmental Overview

As a national collegiate leader, UC Berkeley's University Health Services (UHS) provides comprehensive medical, mental health, insurance and health promotion services to all Berkeley students, and a variety of health programs for faculty and staff. Approximately 65,000 visits occur annually including Primary Care, Urgent Care, Occupational Health and Specialty Clinics. Services are designed to minimize the impact of illness, emotional distress and injury on studies and work. Coupled with health promotion and public health programs, UHS reaches all segments of the Berkeley campus community. Learn more about us by visiting uhs.berkeley.edu

University Health Services (UHS) is looking for a licensed psychologist to work with a team of talented professionals in their Counseling and Psychological Services (CPS) unit, and who share a passion for providing exceptional and comprehensive psychological and counseling services to university students. CPS is a highly utilized, comprehensive, student counseling service that assists students with a wide range of concerns, including academic success, life management, career and life planning, crisis management, and emotional and psychiatric illness. Performing under the general supervision of the Director of CPS, CPS staff provides a variety of services for students including career assessment and counseling, brief psychotherapy, crisis assessment and intervention, couples counseling, group counseling, and case management for complex medical and psychiatric illnesses. Counseling staff also offer psycho-educational programs to students and provide consultation to faculty and staff regarding student concerns. Counselors are a multicultural group of social workers and clinical and counseling psychologists. CPS also has an American Psychological Association (APA) accredited pre-doctoral internship training program. UHS, located at the Tang Center, serves the University of California, Berkeley campus by providing fully accredited primary and urgent medical care, sports medicine, mental health, innovative health promotion and health insurance services to students, as well as a variety of faculty and staff health programs and services. UHS employs over 300 career and contract staff. To learn more, visit
