Job Description

Position Summary

The Purchasing and Contracts department at the University at Buffalo is seeking a Staff Assistant who would be responsible for handling the purchasing of various commodities and services for the campus community utilizing various funding sources.

The successful candidate should be analytical and have strong communication skills. The selected individual should be able to communicate between departments and vendors in a timely fashion and become familiar with the State and RF purchasing guidelines. The selected candidate must be highly organized and detail oriented, with the ability to multi task. In this position, the candidate will perform a variety of purchasing duties to include:

- Purchasing of assigned commodities and services up to \$125,000
- Provide assistance, guidance and training to university staff regarding the clarification of purchasing
