materials which are defined in the “special instructions to applicant” section. Review of applications will begin immediately and continue until the position is filled. Questions about the position may be directed to Brent Hesseltine, Director of Infrastructure Systems, at bhesseltine@stlawu.edu.

All offers of employment are contingent upon the finalist successfully passing a background (including criminal records) check.

Located at 23 Romoda Drive, Canton, NY, St. Lawrence University is a coeducational, private, independent liberal arts institution of about 2,400 students from more than 40 states and 40 nations. The educational opportunities at St. Lawrence inspire students and prepare them to be critical and creative thinkers, to find a compass for their lives and careers, and to pursue knowledge and understanding for the benefit of themselves, humanity and the planet. Through its focus on active engagement with ideas in and beyond the classroom, a St. Lawrence education leads students to make connections that transform lives and communities, from the local to the global.

The University is committed to and seeks diversity among its faculty, staff and students. Such a commitment ensures an atmosphere that is diverse and complex in ways that are intellectually and socially enriching for the entire campus community. Applications by members of all underrepresented groups, as well as from individuals with experience teaching or working in a multicultural environment, are encouraged.
