The job descriptions for each job title are:

- * Allied Health Specialists - Perform duties that may include assisting students in the Medical Laboratory Technician (MLT) or Health Technologies (HTEC) programs with completion of laboratory assignments and other special projects.
- * EMT Specialist - Perform as an EMT proctor to assist, assess and evaluate current EMT students during lab hours. Duties to include EMT-level emergency care instruction and tutoring.
- * Paramedic Laboratory Support I - Conduct laboratory training sessions, manage equipment, take inventory of supplies, restock supplies, and fill out all appropriate paperwork. Requires limited experience with the Paramedic laboratory support duties.
- * Paramedic Laboratory Support II - Conduct laboratory training sessions, manage equipment, take inventory of supplies, restock supplies, and fill out all appropriate paperwork. Very similar to Paramedic Laboratory Support I, except a Paramedic Laboratory Support II tends to be a returning graduate who is assisting with the current program and has more field and lab assisting experience.
- * Paramedic Specialist - Perform as a Paramedic proctor to assist, assess and evaluate current Paramedic students during lab hours. Duties to include advanced Paramedic-level emergency care instruction and tutoring.
- * Per Diem Nurse Practitioners - Provide all of the basic RN medical services as well as fulfill more complex duties including conduct Physical exams, Well-women exams, and prescribe medications to treat various health conditions.
- * Per Diem Registered Nurse (RN) - Provide additional coverage in the Health Services office during very busy and/or peak periods each quarter. General duties include: conducting TB tests, immunizations, and other medical diagnostic tests; performing first aid and basic medical care.
