Job Description	

This is a one-year limited term and full-time position. Continuation of employment is contingent upon availability of funding.

The Alabama Cooperative Extension System is seeking a Media Production Specialist to provide expertise in graphic design and multimedia support to the Expanded Food and Nutrition Education Program (EFNEP) and the Supplemental Nutrition Assistance Program-Education (SNAP-Ed). This position will be responsible for creating and designing content for nutrition and physical activity education using a variety of digital and print media (including web-based solutions, social media, online courses, and video), with the goal of promoting nutrition and physical activity resources and messages to designated target audiences.

Operating as a member of the Extension Communications and Marketing Unit, and in conjunction with the EFNEP and SNAP-Ed state staff teams, the incumbent will coordinate communications support for online programs, web and e-newsletters, photography, and consumer-grade video production via
