### Departmental Overview

As a national collegiate leader, University Health Services (UHS) is a comprehensive campus-based health center providing fully accredited medical and mental health care, education, a major medical insurance plan, and innovative health promotion programs for students, faculty and staff. UHS is deeply committed to ensuring affordable, well-integrated, multidisciplinary healthcare that effectively supports the university's diverse campus communities, through equitable access and culturally competent, high-quality programs and services. The Clinical Services Program within UHS includes primary care, urgent care, occupational health and specialty clinics, clinical laboratory, pharmacy, physical therapy and radiology.

The Radiology department supports the mission of the UHS by providing radiologic facilities for diagnostic purposes to aid clinicians in the diagnosis and treatment of injury and illness. Services are performed by Certified Radiologic Technologists to students, student athletes, faculty and staff as well as contracted affiliates.
