<b>Job Description</b>	

This position will provide support for servers, user workstations, networked devices, media devices, physical security devices, and other technology efforts by New College and UNT at Frisco. This position will assist the IT Manager with maintaining servers, technology deployment, and system administration responsibilities. This position will have direct day-to-day coordination with vendors working in conjunction with campus IT infrastructure. This position will be directly involved with deploying and supporting computers and technology for UNT faculty, staff, students, tenant companies, vendors, and guests. This position will work largely independently and serve as backup and on-call as needed to support the needs of New College and UNT at Frisco.
