Job Description

The South Orange County Community College District is committed to creating an academic and work environment that fosters diversity, equity and inclusion and equal opportunity for all, and ensures that students, faculty, management and staff of all backgrounds feel welcome, included, supported, and safe. Our culture of belonging, openness, and inclusion, makes our district a unique and special place for individuals of all backgrounds.

Our District and our colleges are looking for equity and inclusion-minded applicants who represent the full diversity of California and who demonstrate a sensitivity to the understanding of diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds present within our community. When you join our District, you can expect to be part of an exciting, thriving, equity-focused, and inclusive community that approaches higher education with the lens of social justice and collaboration among students, faculty, staff, administration, and community partners. In deciding whether to apply for a position with our District, you are strongly encouraged to consider whether your values align with our District's mission and goals for EEO, Diversity, Equity, and Inclusion.

This position is a short-term, temporary, Non-Bargaining Unit assignment, not to exceed 160 day/960 hours during each fiscal year. The assignment is on an as needed basis, and may be shortened or extended. You will be contacted should the hiring department/division be interested in scheduling an interview with you to discuss your qualifications and skills. Please do not call the Human Resources Office regarding the status of your application. The most current status of all applications will be available for you to view on our website.

Under general supervision from assigned supervisory and/or management staff, performs skilled work in the installation, servicing, repair, and maintenance of refrigeration, heating, ventilation and air conditioning equipment and systems; operates and maintains a wide variety of hand and power tools and equipment; and assists in performing other skilled maintenance duties as assigned. May receive functional supervision, technical training and work direction from a plant engineer.
