Job Description

Position Summary

The Office of Financial Aid is seeking a Financial Aid Advisor that will serve as the primary contact for the university's prospective and enrolled student population.

As a Financial Advisor, you will:

Make financial aid decisions based on information reported on the student application and recommend financial programs within established laws and guidelines.

Certify financial aid eligibility and authorize financial aid awards for payment.

Be accountable for ensuring compliance with federal regulations.

Generate reports to verify and reconcile financial aid data.

Advise students and parents regarding the management of the student's personal finances.

Develop and implement financial aid workshops and outreach programs for students and parents.
