Job Description

The Contracts Manager at the SUNY Buffalo [Jacobs School of Medicine](#) is responsible for overseeing and managing all aspects of contract administration within the institution. This role involves reviewing, negotiating, and finalizing various contracts, including research agreements, clinical trial contracts, vendor contracts, and service agreements. The Contracts Manager will collaborate with various stakeholders, including faculty, staff, legal counsel, and external partners, to ensure compliance with applicable laws, regulations, and institutional policies. The successful candidate will possess strong analytical, communication, and negotiation skills, along with a solid understanding of contract law and the healthcare and academic research industry.

- Review, draft, negotiate, and finalize a wide range of contracts, including research agreements, clinical trial contracts, vendor contracts, and service agreements, while ensuring compliance with institutional policies and applicable laws and regulations.
- Collaborate with faculty, staff, legal counsel, and external partners to gather necessary information and documents to facilitate contract negotiation and execution.
- Conduct thorough contract analysis to identify potential risks and issues, and provide recommendations for mitigation strategies.
- Maintain accurate and organized contract records, including tracking key milestones, renewal dates, and compliance obligations.
- Advise internal stakeholders on contract-related matters, including contract interpretation, rights, and obligations.
- Monitor contract performance, including deliverables, milestones, and timelines, and ensure compliance with contractual terms.
- Identify and resolve contract-related disputes and issues, escalating matters to appropriate parties when necessary.
- Stay updated on relevant laws, regulations, and industry trends to ensure compliance and mitigate risks associated with contract management.
- Develop and maintain strong working relationships with external partners, vendors, and legal representatives.
- Collaborate with other departments within the institution to streamline contract management processes and implement best practices.
- Assist in the development and improvement of contract templates and standard operating procedures.
- Provide training and guidance to staff members and stakeholders on contract management processes and best practices.
