students' interests and abilities.

- Offers advice in the following settings: in-office counseling, phone, Zoom/virtual and email, including managing and tracking assigned caseload of students in EAB Navigate.
- Offers key student success and retention initiatives, including monitoring student academic progress and related outreach, coordinating intervention strategies, and facilitating programs and workshops focused on student engagement, support, and success.
- Advises unit leadership on strategies to increase student success and retention.
- Special assignments as determined by unit leadership.

We invite individuals to apply whose perspectives and experiences will enrich and strengthen our organization. Undergraduate Education serves an increasingly diverse constituency of patrons, and our employees, services and policies strive to honor and reflect this diversity. We encourage candidates who thrive in a welcoming multicultural environment to apply.

For over 40 years, the University Honors College has grown to become a thriving living-learning community of 1850 highly motivated and academically talented students. Through a customizable curriculum of small group seminars, service learning, experiential learning opportunities and academic support programs, the Honors College fosters student leadership, independence, creativity, and success. This is an exciting time to join the University Honors College. In the coming years, we will be enhancing our curriculum and our programming to reflect our commitment to undergraduate research and experiential learning; civic engagement; global citizenship and the wellbeing of our diverse communities.

The Exploratory and Pre-Professional Advising Center (EPAC) supports the university mission of providing an inclusive environment and a transformative educational experience that promotes the academic and personal success and engagement of all undergraduate students. Working collaboratively with academic advisors, faculty, administrators, and support service providers, we aim to develop standardized best practices, deliver high quality programs, and provide the necessary resources to help our students persist and attain their undergraduate degree. The Exploratory and Pre-Professional Advising Center (EPAC) is committed to providing as diverse and as inclusive environment as possible for staff, faculty, and students. Therefore, we seek candidates who are committed to ensuring that services reflect, support and enhance diversity, equity and inclusion.
