**Job Description**

The Office of Medical Curriculum is seeking a creative and organized person to join our team as a Curriculum Coordinator. In this position, you will assist faculty and students with the day-to-day operations of curricular activities in the Jacobs School of Medicine and Biomedical Sciences. You will also have the opportunity to contribute to long-term curriculum development projects.

**Key responsibilities:**

- Coordinate medical student courses. This includes managing day-to-day logistics and support, while also assisting students.
- Logistically support the transition to our revised curriculum, which begins in July 2024.
- Collaborate with faculty to plan curricular activities that follow educational best practices.
- Assist with data gathering to support continuous quality improvement of the curriculum.
- Support the Administrative Director of Curricular Operations and Office of Medical Education Deans with curriculum development.
