excellence.

These duties include but are not limited to:

Fire & Life Safety Program

- Managing the University's monthly fire extinguisher inspection program, including the supervision of staff and maintenance of adequate records.
- Inspecting, replacing / recharging and installing portable fire extinguishers.
- Conducting code and building inspections for compliance with all applicable regulatory agencies.
- Reviewing & investigating fire alarm system activations; determining cause(s) and identifying corrective actions.

Emergency Evacuation Planning

- Assist in the development and training in building evacuation plans to faculty, staff and students.
- Participate in evacuation drills; provide guidance / feedback to evacuation teams.
- Work with the Office of Equity Diversity and Inclusion to consult / meet specific needs of individuals requiring special accommodations.

Other Safety Programs

- Inspect & maintain respiratory protection equipment.
- Participate as a member of the Haz Mat Response Team.
- Assist with the Hot Work Permit Program.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness.
