The [Counseling Services](#) department at the University at Buffalo is seeking a generalist **Counselor/Psychologist** with specific interest & experience in providing counseling to college students who are experiencing personal and academic concerns. Depending upon the needs of the campus, this counselor may extend our mission by being embedded in an academic unit in one of our 13 Schools and Colleges 2-3 days per week. The successful candidate will have demonstrated expertise in serving college student populations, operating in multidisciplinary systems, and working independently.

This is a multi-vacancy posting; the department is seeking to fill several positions.

As a Counselor/Psychologist, your responsibilities include:

- Performing individual, group and couples counseling
- Providing consultations with faculty and staff on student issues
- Facilitating presentations on mental health topics for a diverse student population
- Providing on-call and crisis intervention
- May supervise graduate students in psychology, social work, and mental health counseling.

We recognize the advantages diverse perspectives and backgrounds bring to the workplace. We are particularly interested in candidates who share this value and will work to achieve the university's goals of inclusive excellence.
