**Job Description**

The [Center for Industrial Effectiveness \(TCIE\)](#) at the University at Buffalo is currently seeking a **Program Coordinator** to lead engagement with prospective students, local community-based service organizations, and training providers. This position supports a project creating awareness of offshore wind job opportunities and training programs, and will involve interaction with organizational leaders, prospective and enrolled students, university staff and faculty, and industry contacts.

The successful candidate is an organized self-starter with a passion for producing top-quality work while serving our internal/external clients with a good mix of professionalism and creativity. Duties include the following:

- Plan and manage outreach events.
- Provide effective communication and follow-through to project partners and prospective / enrolled students.

- Work alongside staff and contractors to prepare presentation and marketing materials.
- Develop and deliver marketing and informational emails to prospective and enrolled learners.
- Field inquiries from prospective students.
- Provide learning management system technical support to students.
- Track and report on student outcomes.
- Secure quotes for contractors, review vendor bids, and participate in vendor selection.
- Facilitate and process financial transactions.
- Maintain reports tracking budgets and expenditures.
- Perform other various administrative and project management responsibilities, as needed.

### **Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options.
