Pay Type:Hourly

Hours Per Week:0

Job Description:

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

SUMMARY DESCRIPTION

Under direction from assigned supervisor or manager, performs technical support duties pertaining to the development and utilization of the Enterprise Resource Program (ERP) and Student Information (SIS) systems that serve Student Services functions. Serves as an advanced module user and the primary liaison with Information Technology and vendors to implement new systems and to resolve issues.

DISTINGUISHING CHARACTERISTICS

This is a journey-level classification that provides system application, testing, and reporting activities. Incumbents exercise discretion and independent judgment in performing the full range of assignments. Successful performance of the work requires knowledge of database applications and basic knowledge of the District's information systems infrastructure.

REPRESENTATIVE DUTIES

Student Services Systems Specialist (Substitute) South Orange County Community College District

The following duties are typical for this classification. Incumbents may not perform all the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

- Serves as the departmental ERP/SIS technical specialist; assists with planning, and implementing technology and automated processes that support departmental programs delivery, compliance, enrollment, and student success; acts as the primary contact person for departmental staff for technical assistance with computerized systems, including testing, training, troubleshooting, and problem resolution; may input and/or modify data in restricted access areas of the module(s). Performs activities related to data updates and ERP/SIS system rollouts, upgrades, and workflows; reviews ERP/SIS documentation in preparation for rollouts and upgrades; participates with end users and IT in implementing and testing ERP/SIS rollouts, upgrades, and workflows; creates end-user documentation including training materials and job aids; provides training on systems processes and procedures; may update departmental web page content.
- Participates in the development and implementation of new programs, policies, procedures, methods, and business processes; collects data and recommends processes to improve services.
- In conjunction with IT staff, tests system patches and modifications; reports tests results; liaisons with IT staff and vendors as needed to correct issues; documents data and system issues and resolutions and maintains related records.
- Provides recommendations for data security and monitors for fraud; reviews error lists and makes data corrections.
Conducts activities associated with the annual system set-up; maintains processes for data importing, data integrity, and application management.
- Ensures successful storage and retrieval of data; monitors and maintains data integrity of tables, fields, reports, and related systems; tests applications to ensure accuracy of data; works with College/District IT to correct data issues.
- Develops and performs SQL queries and commands to extract data; utilizes applications to import/export data; maintains proper data backup and storage procedures.
- Develops and runs system reports and documents for a variety of departmental needs, activities, and reporting requirements; works with IT staff to develop and maintain reports based on department needs; reviews data/reports for accuracy; creates and maintains databases; assists with audits.
- Serves as a technical resource regarding the assigned system module(s); assists staff who have access to module information with technical system questions or problems.
- May prepare work orders of a technical nature as necessary; updates records of equipment usage and location; may participate in the ordering, inventorying, and maintaining of supplies and equipment.

- May perform specialized technical administrative duties pertaining to the business operations of the assigned department; attends and participates in a variety of meetings, trainings, workshops, committees, events, and conferences; maintains compliance with mandatory trainings and certifications as directed by supervisor; maintains current knowledge and stays up to date on requirements and changes related to area of assignment.
- Provides functional and technical work direction to lower-level staff, temporary employees, and student workers; participates in the selection of new staff; trains new and existing staff as assigned; prioritizes and coordinates work assignments; monitors and reviews activities to ensure that work is completed in a timely and accurate manner.
- Operates a variety of office equipment and machines; learns to use new technology as necessary to perform duties.
Establishes and maintains cooperative working relationships with students, staff, and faculty, as well as various outside groups to ensure efficient, effective, and correct implementation of departmental objectives.
- Maintains departmental area(s) in a safe, clean, and orderly environment; assures compliance with established safety procedures and regulations; refers unresolved problems to supervisor.
- Prepares, completes, and maintains a variety of correspondence, records, documents, forms, and reports; disseminates information as appropriate; verifies and reviews documents and reports for completeness, accuracy, and conformance with established regulations and procedures; independently responds to various inquiries and correspondence.
- Abides by all confidentiality practices required by District, College, state, and federal policies, laws, rules, and regulations. May perform the duties of lower-level departmental classifications, as needed.
- Perform related duties as required.

QUALIFICATIONS

The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time to successfully perform the assigned duties.

Knowledge of:

- Principles, practices, and technologies of operating systems.
- Principles and practices used in business processes and ERP/SIS systems associated with student services programs.
- Principles of database design and data management and reporting.
- Data systems concepts and structures.
- Data management, data extraction, and relational databases.

- Participate in trainings, conferences, and meetings on-site and off-site as required.
- Report to work on a regular and consistent basis, as scheduled, to assigned job.
- Work evening/weekend shifts as required.

EDUCATION AND EXPERIENCE GUIDELINES

Any combination of education and experience that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Education/Training:

An Associate's degree from an accredited institution. Bachelor's Degree in business, information systems, or related field preferred.

Experience:

Three years of experience working in a Student Services office (preferably within the assigned department) within a higher education environment that includes performing specialized technical work and advanced use of a data management system.

OR

Two years of increasingly responsible application systems experience including the use and troubleshooting of ERP applications and supporting data reporting functions, preferably in a higher education student services environment.

PHYSICAL DEMANDS AND WORKING ENVIRONMENT

Student Services Systems Specialist (Substitute) South Orange County Community College District

The conditions herein are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.

Environment: Work is performed primarily in a standard office setting. Duties are typically performed at a desk or computer terminal; subject to noise from office equipment operation; frequent interruptions and contact in person and on the telephone with students, academic and classified staff, and others. At least minimal environmental controls are in place to assure health and comfort.

Physical: Primary functions require sufficient physical ability and mobility to work in an office setting; to stand or sit for prolonged periods of time; to occasionally stoop, bend, kneel, crouch, reach, and twist; to lift, carry, push, and/or pull light to moderate amounts of weight; to operate office equipment requiring repetitive hand movement and fine coordination including use of a computer keyboard; to verbally communicate to exchange information; and to occasionally travel to other offices or locations to attend meetings or to pick up or deliver materials.

Vision: See in the normal visual range with or without correction.

Hearing: Hear in the normal audio range with or without correction

SPECIAL COVID-19 NOTICE:

Interviews may be held in-person (following all necessary precautions) or in a virtual format. Employees must reside in California while employed with the South Orange County Community College District (SOCCCD), even during remote work. Thank you for your continued interest in working at the SOCCCD.

The SOCCCD is committed to protecting the health and wellbeing of students, faculty, staff, administrators, and the communities it serves. More information can be found on our District website by visiting <https://www.socccd.edu/communications/covid-19-information>.

NOTICE TO ALL CANDIDATES FOR EMPLOYMENT:

The Immigration Reform and Control Act of 1986, Public Law 99-603, requires that employers obtain documentation from every new employee which authorizes that individual to accept employment in this

country. SOCCCD will not sponsor any visa applications.

DISABILITY ACCOMMODATIONS:

If you require special accommodations in the application and/or selection process, please notify District Human Resources (DHR) at least two (2) business days prior to the Job Close Date/Initial Screening Date, by either calling (949) 582-4850 or sending an e-mail to hrintodesk@socccd.edu.

CAMPUS CRIME AND SAFETY AWARENESS:

Information regarding campus crime and safety awareness can be found at www.saddleback.edu or www.ivc.edu. Paper copies are available in the District Human Resources (DHR) office upon request.

PLEASE NOTE:

A California Public Employees Retirement System (CalPERS) retiree may not accept employment until after the first 180 days of retirement. Anyone retired from CalPERS accepting permanent employment with this District will be required to reinstate as an active CalPERS member. Please contact CalPERS for additional information regarding your retirement status.

Any active vested member of California State Teachers Retirement System (CalSTRS), who accepts employment with the District to perform service that requires membership in CalPERS, is eligible to elect to continue retirement system coverage under CalSTRS.

EEO/AA Policy
