**Job Duties:**

- Provide high level administrative support to the newly established Division of CTT.
- Coordinate and support the lab and office space of the division including coordinating with the SPPS Facilities manager, providing support for purchasing and provide space recommendations to leadership.
- Provide administrative support for project management within the department

**Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization. Learn more about our [benefit packages](#).

**About the Department**

The School of Pharmacy and Pharmaceutical Sciences at UB (SPPS) is ranked among the top pharmacy schools in the United States. It was founded in 1886, is the second-oldest component of UB, and is the only fully accredited pharmacy school in the State University of New York (SUNY) system. The mission of the Department of Pharmacy Practice at UB is to serve the global community through leadership in research, clinical care, and teaching of the practice of pharmacy. The SPPS encourages work-life balance and is committed to fostering and maintaining a diverse work culture that respects the rights and dignity of each individual.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

**Minimum Qualifications**

- Bachelor's degree with 2 years of experience.
- Ability to take ownership and make independent decisions using established policies and procedures.
- Strong written and verbal communication skills.
- Demonstrated organizational, multitasking, problem-solving, and prioritization abilities.
