broadening the applicant pool. The Fellowships Advisor will partner with multiple stakeholders from across campus, including faculty and academic advisors, to identify qualified, competitive students and cultivate exceptional potential. The Fellowships Advisor will lead the Spark Program, a nine-week workshop series that offers select students the opportunity to learn about nationally competitive, merit-based fellowships and provides them with the tools to develop a competitive profile.

Key duties and responsibilities include:

- Meeting one-on-one with students to discuss nationally competitive fellowship opportunities, review qualifications and provide feedback on application materials.
- Updating the Office of Fellowships and Scholarships website and assessing award efforts with preparation of annual and periodic report data.
- Developing and delivering programs and presentations to enhance knowledge of the Office of Fellowships and Scholarships and nationally competitive awards.

The Office of Fellowships and Scholarships was established in in 2016 to provide leadership and expertise in the stewardship of internal and national award programs. Through recruitment and development programs the Office of Fellowships and Scholarships strives to increase the number, diversity, and quality of applicants and awardees at UB. The office provides key support for funded students and fosters community for internally funded fellows to enhance their educational experience.
