Tufts University School of Dental Medicine (TUSDM) offers one of the most forward-looking educational environments in dental medicine in the country. Revenue Cycle Operations (RCO) supports patient care services revenue cycle management team, along with other members of the Finance and Administration team, supports the financial management and administration of the dental school. This position reports directly to the Patient Financial Administrator and works closely with school clinics it supports: Dental Faculty Practice, Craniofacial Pain and Sleep Center, Oral Medicine, Oral and Maxillofacial Pathology and Tufts Dental Facilities, the Pre-doctoral (students), Postgraduate (residents) Specialty clinical treatment areas, which includes: Endodontics, Orthodontics, Periodontics, Prosthodontics, Pedodontics, Oral and Maxillofacial Surgery, AEGD and Geriatric Dentistry, as well as any needed revenue support for IRB clinical study patients and maintaining CITI certification.

What You'll Do

Our onsite patient-facing Patient Financial Coordinators play a vital role in the Dental School's revenue cycle management, ensuring patient services payments in full, which has a direct impact on the Dental School's clinical services financial and claims outcomes success.

Revenue Cycle Operation's Patient Financial Coordinator:

- Ensures timely and accurate entry of patient demographics, insurance information and self-pay financial/collection aspects to enhance and secure frontend collections.
- Ensures patients understand their financial responsibilities by reviewing/reconciling accounts and explaining/answering any/all financially based treatment inquiries.
- This position's role and responsibilities are deadline driven and requires 100% accuracy and exceptional attention to detail.
- The Patient Financial Coordinator is responsible for ensuring that scheduled and planned treatment meets insurance eligibility, benefits, limitations and coverage guidelines and that all applicable waivers are obtained prior to treatment.
- Obtains and tracks all requested, necessary and/or required pre-treatment forms.
- Follows up with insurances, students, residents, patients and internal teams.
- Documents/updates all actions/contact in patient accounts.
- Ensures patients accept, sign and fully understand their financial responsibilities to pay their deductibles, co-insurances, co-pays and non-covered services fees/charges in full at time of service.
- Answers eligibility and benefit coverage inquiries.
- Communicates with residents, practice/clinic administration, healthcare providers and insurances to ensure required standards are met and compliant and when applicable, makes recommendations for resolutions.
