- Develop and analyze pricing, supply data and market conditions to determine best value for the department.
- Serve as subject matter expert regarding NYS laws, university policies and procedures related to purchasing.
- Research, author, process and administer all detailed specifications within bidding processes for service contracts for the housing system.
- Manage all vendor performance as it relates to the quality of their work, the work required and contract guidelines.
- Manage the movement and organization of commodities and services for on time delivery. Create survey tools to verify and improve upon stakeholder satisfaction.
- Establish and manage a system of inventory control and asset management that allows the department to adequately safeguard and account for its inventory and assets through direct supervision of the Inventory Control and Fixed Asset Manager.

The Student Life Finance team is responsible for all facets of business operations including financial planning, reporting, forecasting, analysis, revenue, procurement, travel, asset management, creation and maintenance of policies and procedures, compliance and training.
