<b>Job Description</b>	

### Position Summary

The [School of Engineering and Applied Sciences \(SEAS\) Office of Academic Affairs](#) seeks to hire a **Records and Registration Specialist**. This position requires a self-motivated team player to provide valuable course scheduling and records management services to both graduate and undergraduate populations. The Specialist must understand the big picture while paying close attention to detail as they understand and enforce academic policies and curricula while maintaining course, student, and program data in the university's student information system (HUB). Strong technical skills, attention to detail, and adaptability are necessary as the Specialist will need to develop an understanding of the complexities and inter-connectedness of the student information system and related systems.

As a **Records and Registration Specialist**, you will:

- Serve as the primary course scheduler for EAS and CDA courses
- Coordinate final exam and midterm schedules, manage conflicts, and request rooms
- Coordinate class scheduling across SEAS departments, including acting as a subject matter expert and providing guidance and best practices to other course schedulers in SEAS
- Schedule ad hoc rooms for SEAS faculty per request
- Coordinate Academic Advisement Report (AAR) exception processing in accordance with SEAS policies and approved curricula
- Support first-year block registration processes, including block scheduling in HUB
- Run requisite checking processes for EAS and CDA classes
- Regularly review enrollment predictions and advise SEAS departments appropriately
- Coordinate force registration for EAS and CDA courses and coordinate/advise on force and exception registration policies and best practices for all SEAS departments
- Review and process cross registration requests in compliance with UB and SUNY policies.
- Assist academic advisors with degree audit, including investigating discrepancies in student records (i.e., transfer articulations, repeat codes, etc.)
- Provide program honors and degree audit information to OOR
- Run batch processes and reports in HUB, Navigate, and other systems on a regular and ad hoc basis (orientation data, advising appointment data, service indicator reports, student photo uploads, etc.)
- Develop and run queries and reports as needed
