<b>Job Description</b>	

### Overview

**Shift: Monday - Friday; 7:00 - 3:30pm**

The Department of Facilities Services is responsible for the efficient and cost effective operations, maintenance and management of all Tufts University facilities consisting of approximately 5 million square feet of space on three campuses (Somerville/Medford, Grafton, and Boston).

A broad range of services are provided to support the University campuses including: facility maintenance by all trades, capital maintenance, information technology systems for operations (work control, time capture, preventative maintenance), energy and utilities systems, recycling and waste management, event services, residential facilities coordination, grounds maintenance and facility condition assessment and tracking. Facilities Services plays a critical role in planning for the \$30M/year deferred maintenance investment.

Related functions, which require close coordination with this department, are public and environmental health and safety, planning, design and construction of capital and deferred maintenance projects including major repairs, renovation and new construction.

### What You'll Do

Reporting to facilities management the Utility I Worker is responsible for the tasks associated with the care and maintenance of the lawns, grounds, roadways, sidewalks and other areas surrounding the university campus as needed to sustain the high quality aesthetic appearance and safety of the campus for the Tufts community.

- The Utility I Worker provides labor and grounds services which may include but are not limited to: Grass cutting, snow removal, weeding, pruning, sanding, seeding, fertilizing, de-icing and plowing.
- This position also provides services for university events, including set-ups, building maintenance tasks, installation of lawn furniture and landscaping tasks.
- The Utility I worker drives various types of vehicles including but not limited to trucks, automobiles, front-end loaders, skid-steers and vans and uses various types of equipment and tools to move University furnishings and equipment, and to provide set-ups and take-downs for events and special activities.
- This position performs similar or related duties as required.
- *This position is considered essential as defined in the Tufts University Employee Handbook.*

### What We're Looking For

#### Basic Requirements:

- Must possess a high school diploma or GED
- Must have a minimum of five (5) years of related experience
- Position requires experience and knowledge in the maintenance and the care of grounds and walkways surrounding a campus setting
- Must possess a valid US driver's license
- Must possess a valid 2B hoister's license
- Must be physically fit to carry out effectively all the requirements of the Facilities department; including the use and care of grounds equipment and tools
- Mechanical proficiency and use of small power and hand tools is required
- Knowledge of plant material, planting techniques, pruning, weeding, grass mowing and snow removal and sanding and de-icing operations is necessary
- Must be conscientious, adaptable and have the ability to communicate and work respectfully with co-employees, students, faculty and staff
- Experience with computers for creating Word documents, updating work status in facilities related systems and use of e-mail for timely and professional communication and correspondence
- Capability with the use desktops, laptops, iPads or other devices
