JOB DESCRIPTION

DISTINGUISHING FEATURES OF THE CLASS:

The work involves performing work in the skilled electrical trade, on a journeyman level, in the maintenance and repair of buildings, equipment, and facilities. Work is performed under the supervision of a higher-level employee or department head that assigns and inspects work for conformance with procedures and standards. The incumbent supervises and trains maintenance workers and laborers assigned to assist in the performance of electrical and related work. Does related work as required.

TYPICAL WORK ACTIVITIES:

- Constructs, inspects, tests, maintains, and repairs electrical lighting, power, alarm, signal, communication, and generating systems for buildings and equipment, including transformers, distribution equipment, controls, motors, lighting fixtures, special electrical equipment, outlets, wiring, etc.;
- Operates power tools such as pipe machines, pipe benders, saws, drills, etc. and hand tools common to the electrical trade;
- Complies with various Occupational Safety and Health Administration laws and regulations, including reading and understanding Material Safety Data Sheets relating to hazardous materials and other substances;
- Plans and lays out work; estimates materials and supplies required; reads and interprets blue

prints, specifications, and written orders to determine nature of work required; requests materials and supplies;

- Performs related tasks and assists other craftsmen on repair or installation projects.

KNOWLEDGE, SKILLS AND ABILITIES:

Candidates must be able to demonstrate awareness and sensitivity towards promoting an inclusive and diverse learning environment. Good knowledge of the tools, terminology, procedures, and equipment of the skilled electrical maintenance and repair trades; ability to make a variety of skilled repairs and installations rapidly and accurately; ability to read and interpret plans, blueprints, and specifications; ability to read, write, and understand the English language; ability to get along well with others; mechanical aptitude and manual dexterity; initiative and resourcefulness; industrious and dependable; physically capable of performing the essential functions of the position with or without reasonable accommodation.

MINIMUM QUALIFICATIONS:

Graduation from high school or possession of a high school equivalency diploma and three (3) years of experience working as an apprentice Maintenance Worker in the skilled electrical trade.

SPECIAL REQUIREMENTS:

Official transcripts will be required for successful candidates within 30 days of hire.

Contact Human Resources at (716) 851-1840 with any questions.

Our mission to offer quality education includes exposing our students to a diverse range of cultures, experiences and expertise. At SUNY Erie Community College, we value diversity and encourage applicants from all backgrounds to apply.
