The Unit Manager for Residential Dining is responsible for the overall general management of a resident board dining center serving on average over 3000 meals per day, seven days per week.

- The Unit Manager responsibilities include supervision and on-going professional development of the unit's Chef Manager, Assistant Unit Manager, Leads, and hourly staff.
- The Unit Manager is responsible for P&L management and fiscal accountability, staffing labor to revenue, and personnel management, customer satisfaction, menu management, food production, and program development/execution.
- The Unit Manager provides leadership in the areas of customer service, hospitality, food preparation and service, menu development, procurement, inventory of food, supplies and equipment, quality control, food service sanitation, housekeeping, facility and equipment maintenance, food merchandising, special events management, accounts payable, payroll approval, employee performance management, and external relations.
- The Unit Manager independently monitors daily operations of the assigned unit, supervising staff, identifying problems, and providing solutions while consistently seeking consultation and guidance from senior management as appropriate.
- The Unit Manager collaborates effectively with department administrative specialists and works cooperatively with peers and subordinates to achieve departmental objectives.
- The Unit Manager is responsible for compliance with department policies, procedures and standards, state and municipal regulations, and university policies and procedures.
- As a member of the unit operations management team the Unit Manager is responsible for scheduled hands-on shift supervision as a Manageron-Duty and works collaboratively with members of the unit management team to deliver the highest quality dining experience every day.
