- Create and implement programs and services that celebrate disability as part of the diversity which contributes to excellence and innovation
- Cultivate and advance efforts in the areas of student support, programing and community building for students with disabilities
- Assess current programs and services through data collection and reporting; continually improve offerings to enhance the student experience
- Meet with students in group settings and 1-on-1 to develop their skills for navigating and working around barriers; assess their need for accommodations
- Perform grant writing, oversee a program budget, and coordinate the scholarship process
- Supervise designated staff

The successful incumbent will be skilled in working in a highly collaborative team-based environment.

Our team recognizes the advantages diverse perspectives and backgrounds bring to the workplace. We are particularly interested in candidates who share this value and will work to achieve the university's goals of inclusive excellence.

About Student Life

As a member of Student Life, you will join service professionals, all driven by one shared set of values designed to help ensure students' well-being, create a safe and supportive environment and promote student success. In Student Life, growth is a shared passion. We aim for excellence, thinking big and going bold. We pursue our goals tenaciously while stewarding the student experience. We build communities and advance diversity in all forms. We encourage discovery and celebrate success.
