The Foothill-De Anza Community College District is currently accepting applications for the classified position above.

The Foothill - De Anza Community College District does not have a remote work policy. All employees are expected to be available to work in person and on-site per the requirement of the department.

The Foothill-De Anza Community College District does not reimburse applicants for travel, lodging or any other costs incurred by applicant to attend interviews. All interviewing costs incurred will be the responsibility of the applicant.

ABOUT THE DISTRICT

Foothill - De Anza Community College District, composed of two colleges and an education center, is one of the top performing districts in both California and the United States, and one of the largest, ranking seventh in size among the state's 72 districts, serving more than 58,500 students per year and with an operating budget of \$180M unrestricted general fund. Consistent with its mission, the District has a strong commitment to equity and inclusion and incorporates those values in its policies, procedures, and operations, and in its leadership and service to students and the community. Publicly supported and locally oriented, the District fills an essential role in workforce development, continuing education, and skills preparation to meet the changing demands of the highly diverse surrounding population and business communities. The District's students and more than 2,000 faculty and staff enjoy an unparalleled quality of life in an ideal climate, with physically pristine and fiscally sound campuses that have earned their reputation for academic excellence.

Foothill - De Anza Community College District Mission Statement:

The mission of the Foothill-De Anza Community College District is student success. We are driven by an equity agenda and guided by core values of excellence, inclusion, and sustainability. Every member of our district contributes to a dynamic learning environment that fosters student engagement, equal opportunity, and innovation in meeting the various educational and career goals of our diverse students. We are committed to providing an accessible, quality undergraduate education dedicated to developing a broadly educated and socially responsible community that supports an equitable and just future for California.
