community health center to be located in the newly acquired 1085 Morris Avenue building. The MAD will develop, manage and lead initiatives as assigned that promote and support the mission and values of the University's developing academic research and community health center, with particular emphasis on building connections with related regional industries. At the direction of the Chief of Staff, the MAD is also responsible for certain administrative and operational affairs, conducting research, developing papers and proposals, undertaking writing assignments, and representing the Chief of Staff at various meetings and functions as required. Such work may include certain accounting, regulatory and compliance requirements.

Under the guidance of the Chief of Staff, the MAD will coordinate communications and prepare special correspondence; and serve as a liaison to a variety of internal and external constituencies, supports the development of new policies and procedures for new initiatives, ensuring compliance with all applicable University, state and federal policies, guidelines, regulations and laws; and does related work as required. The MAD also will be required to coordinate as necessary and appropriate with other offices, including the Division of Planning as it relates to the 1085 initiative. This position requires travel and a flexible schedule including evening and weekend hours.

Qualifications: Graduation from an accredited college with a Bachelor's degree and two years of relevant professional experience is required. A Master's degree is preferred. Excellent oral and written communication skills are essential.

Candidacy review begins immediately and continues until appointment is made. **Please submit your cover letter, resume/CV and contact information for three professional references.** Official transcripts are required prior to the starting date of employment.
