activities, resolution of merchant transactional inquiries, activity research and account reconciliation. The Analyst will act as a point person to communicate with external partners and vendors when additional transaction information is needed, or discrepancies need to be resolved.

What We're Looking For

Basic Requirements:

- Knowledge and experience typically acquired through the completion of a Bachelor's degree in management, finance, accounting or related discipline and 3-5 years of work experience
- Strong analytical and decision-making skills
- Ability to work independently as well as in a team environment
- Effective planning and organizational skills (balancing multiple tasks and assignments within specified deadlines including ability to articulate project status to supervisor, team members and customers)
- Strong computer skills, proficiency with Excel, Word and PowerPoint
- Ability to develop and maintain positive working relationships with co-workers, as well as internal and external customers
- Excellent interpersonal and communication skills, both verbal and written

Preferred Qualifications:

- An understanding of merchant services and ecommerce
- Familiarity with bank reporting software for cash management and merchant services providers
- Knowledge of PeopleSoft and Salesforce
- Understanding of basic accounting concepts

Special Work Schedule Requirements:

- While this position is remote, there is a twice monthly requirement to come to campus to complete banking deposits. The employee would be required to come to the Medford, MA campus for this task.
