commitment to equity and social justice; and its roots in the California experience, animated by such values as innovation, questioning the status quo, and respect for the environment and nature. Since its founding in 1868, Berkeley has fueled a perpetual renaissance, generating unparalleled intellectual, economic and social value in California, the United States and the world.

We are looking for equity-minded applicants who represent the full diversity of California and who demonstrate a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds present in our community. When you join the team at Berkeley, you can expect to be part of an inclusive, innovative and equity-focused community that approaches higher education as a matter of social justice that requires broad collaboration among faculty, staff, students and community partners. In deciding whether to apply for a position at Berkeley, you are strongly encouraged to consider whether your values align with our [Guiding Values and Principles](#), our [Principles of Community](#), and our [Strategic Plan](#).

At UC Berkeley, we believe that learning is a fundamental part of working, and our goal is for everyone on the Berkeley campus to feel supported and equipped to realize their full potential. We actively support this by providing all of our staff employees with at least 80 hours (10 days) of paid time per year to engage in professional development activities. Departmental Overview

At the Wertheim School of Optometry & Vision Science, as part of a world-renowned university that embraces excellence and access, we foster an environment of trust and mutual respect, free expression and inquiry, and personal resilience and achievement. We demonstrate sensitivity and understanding of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds present in our community. These principles serve us daily in our reasoning and actions and aid us in our decision making.

We educate an estimated 320 students annually. Our O.D. program is a 4-year program with clinical training provided at 2 campus clinics, 10 satellite clinics (community care), 7 VA clinics, and 24 external clinics across the country. Our one-year post-graduate residency programs provide advanced clinical education in specialty areas of optometry with placement on and off campus and our Vision Science program averages 40 PhD students.

The Optometry Clinic provides comprehensive optical care services to the entire Campus population and the general Bay Area community, with approximately 80,000 annual visits to Optometry Clinics at
