Reporting to the Director of the Robotics Resource Center, the Assistant Director will plan, manage, and assist the department with its objectives, including planning and managing on-campus robotics events, competitive robotics programs, robotics outreach, and the WPI and Mass Academy For Inspiration and Recognition of Science and Technology (FIRST) team. The assistant director will also specify, source, and maintain department owned audio/video equipment, and assist in the management and organization of department managed spaces.

WPI is passionate about creating an inclusive workplace that promotes and values diversity. We are looking for candidates who can support our commitment to equity, diversity, and inclusion.

JOB DESCRIPTION

Responsibilities:

Assist the management of the WPI / Mass Academy FIRST robotics team as a lead mentor by:

- Teaching WPI student mentors and Mass Academy students on topics and skills related to robotics and team operations
- Maintaining team owned tooling and lab space
- Coordinating the team by booking travel and planning itineraries for team attendance at events
- Accompanying the team to events including acting as a program supervisor and chaperone on overnight travel

Assist with, and direct when needed, the planning and management of WPI's flagship, multi-day robotics events with partner organizations by:

- Conducting volunteer recruitment, registration, and assignment
- Coordinating with WPI departments including Admissions, Events Office, Athletics, and Campus Police
- Researching, selecting, and managing outside vendors and event partners
- Communicating key information with teams
- Acting as volunteer coordinator, production manager, event manager or in another leadership role during events, depending on the department's needs

Manage the FIRST LEGO League program for Massachusetts by:

- Organizing and facilitating team and event registration
- Supervising statewide head referees and judge advisors including providing training and recruitment
- Supporting teams by answering questions and providing available resource

Manage single-day robotics events by:

- Coordinating and scheduling WPI service providers in conjunction with Events Office staff
- Managing volunteer recruitment, assignment, and day-of work
- Managing team recruitment and registration
- Administer the events to ensure they meet quality standards and represent WPI is a positive way to prospective students, event partners, and sponsors

Requirements:

- Undergraduate technical degree desirable.
- Demonstrated excellence in working with high school and college students.
- Demonstrated leadership ability.
- Demonstrated ability to conduct and manage large events.
- Demonstrated ability to manage technical projects.

Salary: \$49,000 - \$57,000. WPI's [benefits package](#) includes a robust retirement match, wellness perks, tuition assistance and more!

FLSA STATUS

United States of America (Exempt)

WPI is an Equal Opportunity Employer that actively seeks to increase the diversity of its workplace. All qualified candidates will receive consideration for employment without regard to race, color, age, religion, sex, sexual orientation, gender identity, national origin, veteran
