**Job Description**

**POSITION HIGHLIGHTS:**

The Admissions and Records Technician Senior performs technical and specialized tasks involving the evaluation of student records, registration, application processing, residency determinations, transcript and enrollment verifications, coordination of census and grade roster management, records management and retention, and assistance with audit reporting. This position supports diverse and underserved student populations, and a variety of special programs and departmental onboarding and enrollment activities. The ideal candidate will demonstrate sensitivity to, respect for, and an understanding of the diverse staff and students within community colleges.

The Admissions and Records Technician Senior uses a high level of independent judgement and leads projects requiring specialized or advanced skill in one or more areas of work assigned. This position
