Duties / Responsibilities:

- Manage daily operations of the Phase 1 Clinical Immersion Program.
- Function as the first-contact liaison to and provides primary support to students, faculty, residents, community faculty, site administrators, and school administration for any issues or questions relating to the Clinical Immersions.

Develops and organizes student rotation schedules, didactic lectures, assessments

- Completes student assignments for inpatient, outpatient ambulatory and procedural rotations with appropriate follow-up to the specific faculty member and/or site administrator.
- Organize and provide administrative support for student didactic lecture schedules
- Compiles student assessments and evaluations and provides thematic analysis/summary reports by site to be shared with stakeholders
- Collaborate with Director and site leads/administration to develop and deliver synchronous and asynchronous orientation materials.

Data management through MedHub and UB Box.

- Record conferences, upload syllabus and handouts for each immersion rotation; annotate records when changes occur.
- Manage all evaluations completed by students and faculty evaluation of student performance.
- Enter assessment grades and review for accuracy; file report with Office of Medical Education.
- Organize and manage all student documents required for central monitoring; submit to Office of Accreditation and Quality Improvement.

General Support

- Assist in development of annual reports and events.
- Assist in faculty development programs

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy
