The assignment is 26 hours per week on Mondays through Thursdays, during the two 16-week semesters (closed part of December, most of January, and during June, July, and August). This position is categorized as a Temporary Hourly Professional Expert as a Clinic Medical Assistant (MA) in Student Health & Wellness Services, located at Evergreen Valley College. Under the clinical supervision of the Medical Director or Nurse Practitioner, the MA performs specialized medical assistant tasks related to the care and treatment of patients. In addition, the MA performs basic clerical and receptionist duties required in the clinic.

KEY DUTIES AND RESPONSIBILITIES

Examples may include, but are not limited to, the following:

Prepare students for medical exams: obtain height, weight, blood pressure and temperature. Conduct vision screenings. Assist with treatment as directed.

Respond to Out of Clinic medical emergencies with the nurse practitioner or clinic nurse and provide assistance as directed (if requested by Campus Police).

Provide minor first aid in accordance with clinic protocols and procedures and chart treatment in patient's medical record.

Maintain examination rooms and lab in clean and orderly condition. Stock rooms with supplies as needed. Monitor the supply and expirations dates for all medical supplies.

Perform Calibration and Quality Control checks on lab equipment and other clinic equipment, and document findings.

Perform in-clinic lab tests, including, but not limited to, Urine (Pregnancy, ChemStripGlucose/Protein,) and Blood (Hematocrit, Glucose) and Strep screen.

Draw blood and collect urine to be sent to outside laboratories for testing.

Label and package lab specimens as per outside laboratory protocols and procedures and collect fees as necessary.

Serve as receptionist, maintaining good rapport with students, staff and coworkers.

Schedule appointments and create Zoom links for remote appointments.

Maintain office files, reports, logs, and a wide variety of memoranda.

Prepare and maintain students' health records as necessary.

Complete tasks requiring typing and using a variety of programs including Word, Excel, Outlook, or other computer programs and office equipment to fulfill work assignments.

Enter chart notes into an Electronic Health Record.

Participate in outreach activities (tabling events, communicating through mass e-mail, posting campus flyers, updating webpage, etc.)

Perform related duties as assigned.

Knowledge and Skills:

Medical office setting, i.e., medical terminology, medical abbreviations, ethical and legal rules and responsibilities

Infectious control procedures, sterile procedures, and universal precautions
